

WYNDELL LONG

DJ Technical Rider

will need:

- **2 x high power undistorted monitor loudspeakers**

Monitors placed at shoulder height or above on each side of the artist and not further than 1 meter away! Must be able to control the monitor level. The presence of a subwoofer close by.

- **3 CDJ 2000s**
- **1 Pioneer mixer**
- **Table Lamp**
- **1 mini fan**
- **Bottled water with cap**

PLEASE NOTE: Please inform if set is being recorded or videotaped previous to gig!!

I bring:

- **USB sticks / SD cards / CDs**
- **exclusive trax**
- **great dj set**

Will stay at residence or hotel. Local food is great.
